1. All flyers must be in PDF format.
2. All Open Day club flyers that do not clash with another club's Open Day event will be placed on the District's website and emailed out to all District clubs.
3. Additional 'special' event day events relating to ladies competitions including a Beryl Tobin or Jean Derrin event run by your ladies committee will be, workload permitting, emailed out to all District clubs.
4. No mixed event not organised or managed by your ladies committee will be distributed.
