THE EVENT: WOMEN'S FOURSOMES COMPETITION

Women's Foursomes is a Stroke event played with a partner in a team of 2 female players, who use only 1 ball. Partners hit off from alternate tees. Once a player has teed off, the partners strike the ball alternately until the hole is completed. If either player incurs a penalty stroke, it does not alter the order of play. This includes the playing of a provisional ball.

ORDER OF PLAY

Partners hit off from alternate tees & it is up to the team to decide who is first to tee off.

HANDICAP

The handicap to be used is half the combined handicaps of the team. To be eligible to enter this event, handicaps are to be certified by Golf Australia. Competitors must be able to produce their GolfLink card (or equivalent) on request.

DISPUTES

All disputes shall be settled by the Committee, whose decision shall be final. Any member of the Committee competing in the tournament may assist the Committee on the day and is permitted to represent the Committee or participate in the discussion or resolution of any claim, dispute or decision on the Rules of Golf within the Division in which she is a competitor provided the claim or dispute does not involve that Committee member.
